NOTES AND PRECIS.

D.No. 6116 S.N.1

The proposal to make some arrangement to inspect the teaching of Urdu in the European Schools seems reasonable..

The arrangement proposed involves the utilization of a Municipal employee and the payment to him of a fee.. It is of course for the Commission to, decide in the first instance whether the services of their man can be made available for the work without detriment to his municipal work and if his services can be so spared, whether the fee paid by Government should be appropriated by the Commission or paid to the Supervisor.. In the circumstances it seems that the Commission's sanction to the arrangement is necessary and that such sanction should be obtained before the Resident approves the proposal..

If approved the Inspector may see file U.O.. and take steps to obtain the Commission's prior sanction.

6 The view taken in paragraph 2 of these notes is that the sanction of the Municipal Commission is necessary to the proposal. The Inspector of Schools has forwarded a letter from the President, Municipal Commission, who agrees to the proposal. It does not appear that the matter has been placed before the Commission.

7 Perhaps, the President, Municipal Commission may see the file U.O. for favour of remarks.

OFFICE OF THE HON'BLE THE RESIDENT IN MYSORE, BANGALORE. 17 JUN. 1939 Diary No. 6114 File No.

Dated 16 - June 1939.

From

M.S.H. Thompson, Esq., B.A., I.E.S.,
Inspector of Schools,
C. & M. Stn. Bangalore.

To

The Secretary to the Hon'ble
the Resident in Mysore,
Bangalore.

Sir,

I have the honour to request you to be so good as to obtain the necessary permission from the Hon'ble the Resident for me to utilize the services of Mr. Azmathulla, Supervisor of Municipal Schools, in the inspection of the three European Schools at which Urdu is taught, viz. Bishop Cotton Boys' High School, St. Joseph's European High School, and the Baldwin Boys' High School. Unfortunately I know no Urdu myself, and am not in a position to gauge the efficiency of the instruction being given without the assistance of a person who knows the language. Meanwhile examination results in Urdu are not what they ought to be, and the teaching of Urdu needs to be looked into.

I would propose a fee of Rs.5 for each of the schools to be inspected, making in all an additional charge of Rs.15, which could be met under the head " Account II- Education - G. General - G.3- Miscellaneous" in the current year's Mysore Assigned Tract budget.

I do not anticipate any objection from the President of the Municipal Commission to our utilizing the services of Mr. Azmathulla in the manner proposed, but he would, of course, be consulted in the matter and his formal permission obtained before the services of the

the Supervisor are availed of.

I have the honour to be,

Sir,

Your most obedient servant,

Inspector of Schools, 1896
C. & M. Stn. Bangalore.
